To Our Valued Customers:

Prescient Wireless is open to support your product and project needs.

Due to the crucial role that we play as a business in the Critical Manufacturing Sector, Prescient Wireless Inc., is considered an essential business and will continue to operate under the state of emergency and shelter in place order issued in response to Covid-19 by the State of Illinois on 03/20/2020.

As a supplier to the critical Medical, Military and Telecommunications industries we will remain open and fully operational with essential on-site staff available to fulfill customer needs. The balance of our team has shifted to working from home in compliance with this order and will continue to provide our customers with seamless service during this unprecedented time.

We are continuing to monitor and adhere to all recommendations from the World Health Organization (WHO) and U.S. Centers for Disease Control and Prevention (CDC) and our local authorities, assuring that our staff remains healthy. These measures include:

- Increased facility cleaning and disinfection cycles
- All travel and visitors prohibited
- Maintaining a healthy work environment with recommended social distancing
- Hand washing, hand sanitizers, and all other health department recommendations for personal hygiene

Understandably, the materials market is unsettled due to the Covid-19 crisis and many suppliers have announced lead time increases. We have been and are continuing to work to mitigate any materials caused delays and will let you know as soon as possible should your project be affected.

Sincerely,

A handwritten signature in blue ink that reads "Paul W. Blashewski".
